

Dear participants,

With six days to go to our congress, we would like to give you some important information:

- 1) All the events of our program will take place according to the Rio's time (GMT-3)
- 2) English is the official language of the conference, but it won't be a problem if a participant prefers to make his/her speaking in Portuguese
- 3) The lecturers and round-table speakers will be made on zoom platform (the links will be sent to the guests in due time), and streammed through youtube (for the general public). We ask all participants of a given day to connect at least 30 minutes before the beginning of his/her presentation.
- 4) The key-note speaker and lecturers have one hour for their presentations. Table participants and paper authors have 20 minutes.
- 5) The live congress broadcasting will be held in our website. Please, feel free to share the following link with your friends, colleagues, and students:
